- ## 1. WHAT INFORMATION DO WE COLLECT?

Personal information you disclose to us

We collect personal information that you voluntarily o

Personal Information Provided by You. The personal information

■ mailing addresses

- usernames
 - debit/credit card numbers
 - billing addresses
 - contact preferences
 - names
 - passwords
 - birthday
 - location
- Sensitive Information.** We do not collect or store:
- Payment Data.** We may collect or store:

Social Media Login Data. We may provide you with the option to

Application Data. If you use our application(s), we also may collect the following information if you choose to provide us with access or permission:

■ **Geolocation Information.** We may request access or permission to track location-based information from your mobile device, either continuously or while you are using our mobile application(s), to provide certain location-based services. If you wish to change our access or permissions, you may do so in your device's settings.

- **Mobile Device Data:** We automatically collect device information (such as your mobile device ID, and manufacturer), operating system, version information and system configuration information, device and application identification numbers, browser type and version, hardware model Internet service provider and/or mobile carrier, and Internet Protocol (IP) address (or proxy server). If you are using our applications(s), we may also collect information about the phone network associated with your mobile device, your mobile device's operating system or platform, the type of mobile device you use, your mobile device's unique device ID, and information about the features of our application(s) you accessed.
- **Push Notifications:** We may request to send you push notifications regarding your account or certain features of the application(s). If you wish to opt out from receiving these types of communications, you may turn them off in your device's settings.
- This information is extremely needed to maintain the security and operations of our applications(s). For troubleshooting, and for internal analytics and reporting purposes.

All personal information that you provide to us must be true, complete, and accurate, and you must notify us of any changes to such personal information.

In Short: Some information — such as your In

We automatically collect certain information when you visit, use, or navigate the Services. This information does not reveal your specific identity (like your name or contact info) when you use our Services, and other technical information. This information is primarily needed to maintain the security and operation of our Services, and for our internal analytics and reporting purposes.

- **Device Data:** We collect device

In Short: We process your information to provide, improve, and administer

We process your personal information for a variety of reasons, depending on how you interact with our Services, including:

- To facilitate account creation and authentication and otherwise manage user accounts. We may process your information

- To save or protect an individual's vital interest. We may process your information when necessary to save or protect an individual's vital interest, such as to prevent harm.

If you are located in the EU or UK, this section applies to you.

The General Data Protection Regulation (GDPR) and UK GDPR require us to explain the valid legal bases we rely on in order to process your personal information. As such, we may rely on the following legal bases to process your personal information:

- **Consent.** We may process your information if you have given your consent.

- **Legal Obligations.** We may process your information where we believe it is necessary for compliance with our legal obligations, such as to cooperate with a law enforcement body or regulatory agency, exercise or defend our legal rights, or disclose

- **Vital interests.** We may process your information where we believe it is necessary to protect your vital interests or the vital interests of a third party.
